# What is the **AUSTRALIAN CRITICAL MINERALS INVESTMENT SUMMIT?**

The 3rd Annual **Critical Minerals Investment Summit 2025** is your chance to rub shoulders with top-tier leaders from mining, finance and government who are shaping the future of Australian critical minerals.

You'll discover how seasoned investors and policy makers are selecting, funding, and nurturing projects in a volatile economic and geopolitical environment. You'll gain practical strategies to manage risk, secure lucrative funding, and position your organisation for enduring success - today and for decades to come.

This event is your chance to engage directly with decision-makers, explore exclusive investment opportunities, and break down barriers across the entire critical minerals value chain to unlock unparalleled potential.

## WHO WILL YOU MEET?

The **Critical Minerals Investment Summit 2025** is designed to bring together stakeholders involved in the critical minerals industry from the length of the value chain, including:

- Major mining companies
- Junior miners and explorers
- Investors and financiers
- Federal and State Government
- METS, EPCMs & Professional services
- End users & conglomerates
- International critical minerals leaders

## KEY THEMES:

- 1 What government, finance and industry leaders demand in standout critical minerals projects
- 2 Mastering funding criteria and policy drivers to propel projects to success
- 3 Leveraging tax breaks, grants, and partnerships to boost project launches
- 4 Examining the latest trends in processing & refining
- 5 Attracting global customers, building robust international partnerships, and conquering export markets
- 6 Capitalising on the latest innovations from the technology & METS sectors
